CAD	AutoCAD, Fusion 360

WORK EXPERIENCE

IT Intern – Web Development 2026 · 5 weeks
OCP Group – IT Department (Morocco)

- Developed an ITSM ticketing web application with PHP, MySQL, HTML and CSS.
- Designed the database: users, tickets, statuses, priorities, categories and messages.
- Implemented ticket creation, tracking and user–technician messaging.
- Took part in IT support: user assistance, incident follow-up and equipment maintenance.
